

Editor's Note

Dear readers,

In May-June 2017 edition, we bring to our readers exclusive report on mango. "King of Fruits", Mango is one of the most popular and best-loved fruits and one of the most important fruit crop in the world as well as in Pakistan. Mangoes are now growing in more than 100 countries of which more than 65 countries produce each more than 1,000 tonnes a year.

The 11th BIOFACH CHINA came to an end on 27th May after three successful exhibition days with considerably more exhibitors and visitors. 17,755 visitors came from all over the world to the Shanghai World Expo Convention Center (SWEECC) to find out more about everything organic from the 476 international exhibitors.

The enthusiastic interest taken by exhibitors in the interpack 2017 brought the world's biggest and most important trade fair of the packaging sector and related process industries record attendance of 2,865 companies. Followed by trade fair days from 4 to 10 May with high spirits and further records: 74% of the approximately 170,500 visitors travelled to Düsseldorf from abroad.

Asia's premier fresh fruit and vegetable trade show is set for another record-breaking year on 6-8 September 2017 in Hong Kong. With more than two months to go before ASIA FRUIT LOGISTICA opens its doors at AsiaWorld-Expo, sales of exhibition space are up by 25 percent on last year's total. Eight companies from Pakistan will also showcase their variety of products to attract buyers, importers and distributors.
