

# Editor's Note

Dear readers,

In November - December 2019 edition, we bring to our readers exclusive report on Mangoes. King of fruits Mango is one of the most popular and best-loved fruits and one of the most important fruit crop in the world as well as in Pakistan. It is a delicious fruit being grown in more than 100 countries of the world. Today, the annual estimated world over production of mango is over 50 million tonnes.

FRUIT LOGISTICA the biggest and most important fresh produce media event is to be held in Berlin from 5 to 7 February 2020, with exhibitors from more countries than ever before set to take part in FRUIT LOGISTICA 2020.

The German food industry is using the International Green Week 2020 in Berlin to present various solutions for food products that help to conserve resources. From 17 to 26 January 2020 some of the driving forces in the industry, commerce, catering chains, and the food start-up scene will be presenting their products and ideas at IGW 2020.

From 12 – 15 February 2020, the “Place To Be” for the international organic sector is Exhibition Centre Nuremberg, when BIOFACH, the World's Leading Trade Fair for Organic Food, opens its doors again. The annual start-of-year gathering for the sector is set to welcome some 3,500 exhibitors from around 100 countries.
